## NCCCO WRITTEN EXAM PREP COURSE

# CRANE OPERATOR BOOT CAMP

### 10 HOUR "INTENSIVE" RECERTIFICATION STUDY SESSION

#### INCLUDES MATERIALS!

- MOBILE CRANE HANDBOOK
- CLASS MANUAL

**\*\$495.00 per person**

#### DID YOU KNOW

The required CCO certification is valid for five (5) years. Candidates/operators must complete all of their recertification requirements during the 12 months prior to their expiration date.

This includes:

- Passing the Written Recertification Examinations
- Continuing to meet Physical Requirements
- Compliance with Substance Abuse Policy
- Compliance with the Code of Ethics

Candidates who can document at least 1,000 hours crane-related experience during their period of certification do not need to take the practical examination to recertify. However, candidates who do need to take the Practical examination must do so before their certification expires. There is no "grace period" after the date of expiration. Candidates whose certification has lapsed must take the full Written and Practical
